

VIP SEATING ON ONE OF THE WORLD'S MOST SPACIOUS AIRCRAFT

Atlas Air offers an exceptional VIP experience on our custom 747-400 VIP. This aircraft has tremendous range and can fly nonstop to virtually every corner of the world. The cabin provides ample room for guests to relax in privacy and enjoy customized, world-class services, including

GoGo inflight internet connectivity. Every aspect of your flight is devoted to luxury and comfort.

WORLD-CLASS SERVICE

Our highly experienced, multilingual flight attendants will make sure that your group's specific needs and desires are met. We'll work closely with you to plan and customize food and drink menus.

SAFETY IS OUR TOP PRIORITY

At Atlas Air, the safety of our passengers is our primary focus. We thank our dedicated crew of more than 5,000 pilots, flight attendants, and ground staff for sharing this commitment and putting it into practice every day.

PERSONALIZED SUPPORT

- Two dedicated Passenger Service Representatives coordinate all activities to make sure every aspect of your program is optimized

- Direct involvement from our management team helps ensure a successful operation

LUXURY TRAVEL WITH ATLAS AIR

Safety is our top priority, with Atlas Air among aviation industry leaders.

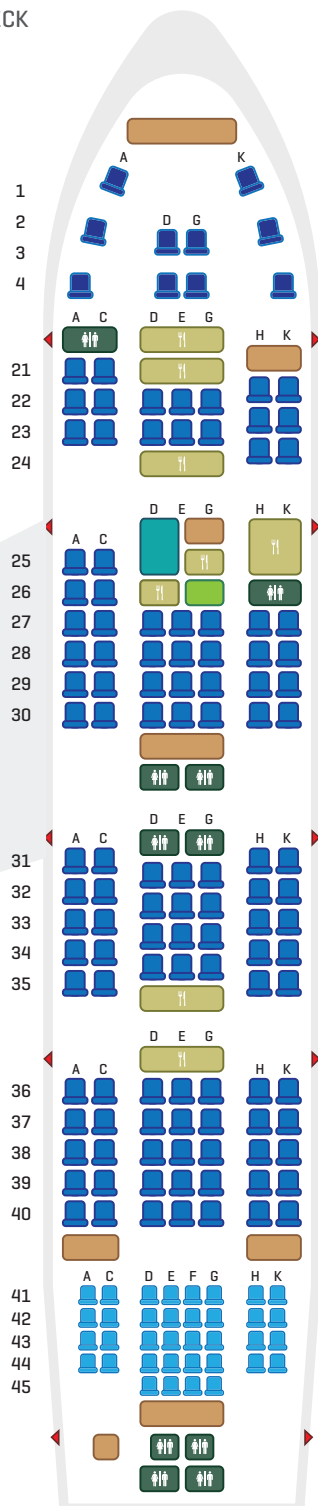

The size of our planes sets us apart, helping ensure your group's comfort.

A dedicated team of specially trained flight attendants is used for our 747-400 VIP Plus flights.

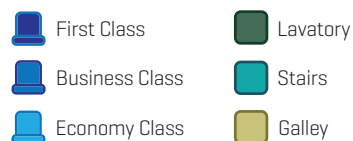

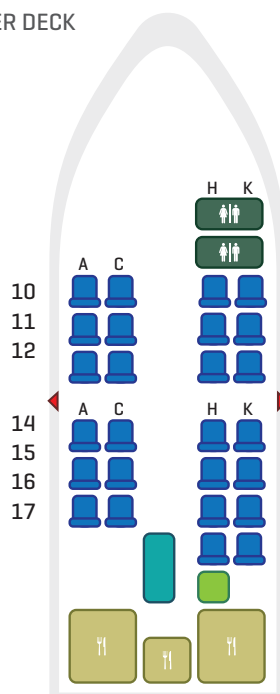

MAIN DECK

BOEING 747-400 VIP: AN UNPARALLELED PASSENGER EXPERIENCE

The size of our aircraft is an important point of difference. We can accommodate an entire sports team and staff, a rock band and its entourage, and all types of customized corporate travel. Our Boeing 747-400 VIP is designed to meet your customers' high expectations, safely and reliably.

UPPER DECK
